

D = David
L = Lukas
S = Sven

(One day in the changing room:

Everybody is changing, only Lukas talks to his best friend David)

L: Hey, do you have a minute, later? I need to tell you something important.

D: Of course, what`s up?

L: Later. It isn`t something everyone should hear....

(5 minutes later, only Lukas and David are left, Sven is in the neighbouring room)

D: So what did you want to talk about?

L: You have to promise me to tell nobody about what I`m going to say. It`s something really personal!

D: Come on, dude. I`m your best friend, you can tell me everything, trust me.

L: Okay, I think I play for the other team...

D: What, What do you mean?

L: I mean.... I`m gay.

(David stares with his mouth wide open)

D: Well, that`s quite surprising, I didn`t expect this...

L: I wanted to tell you myself... What now? Will we still be friends?

D: Of course. It`s totally okay, you're my best friend and this isn`t like an illness.... Well, at least you'll never steal one of my girls.

L+D: (Heavenly laughing)

L: Of course not, I wouldn't even do that if I was straight.

*(In the neighbouring room: **Sven** can't believe his ears. He leaves quietly.)*

(The next day, at training)

(Lukas has the ball and tries to pass it to the goal. Another player fouls him and screams):

"Faggot!"

*(Lukas can't believe it, would **David** really betray him?)*

*After training: **Lukas** confronts **David**)*

L: I can't believe it. You told him, didn't you?

D: No way, I promised you to support you!!!

L: Liar, who else could have told him!!

D: Man calm down. I've told nobody. Really!

L: But then who did it ?

D: Don't know dude, but I will ask around. Tomorrow we will hopefully know.

(The next day:)

D: Hey guys, I gotta ask you something. Has anybody told you anything about Lukas ?

1: You mean these strange rumours about him being gay?

D: Yeah... who told you about it?

2: Sven... a few days after training he suddenly told us, that he`d heard about it...

3: Hey David, is it true? Lukas is gay?

D: What if it's true? Would it change a thing? You all know him since we were little!

1: Yeah, but still....

D: No buts, he is our friend!

3: You're right, he is still Lukas. It's not as if he ever tried to flirt with one of us.

1: I doubt you would be his type!

(All heavenly laughing! Except for 2)

2: Don't you think it`s gross?

Everybody suddenly stops laughing.

D: What's there to be gross, your taste in women is way more questionable if you ask me.

(2 blushes. The rest of them laugh again. 2 leaves the room angrily)

Later...

1+3: Hey Lukas!

L: Morning.

D: What's with the long face. I know who it was. It was Sven, he told the team about it.

L: But how does **he** know?

D: No idea, maybe he was eavesdropping. That`s just like him.

1: Don't worry about it. We support you!

3: Yeah man, we are standing behind you. No need to worry. By the way... you're still quite popular with the girls so introduce us to some now that we know that you are not interested.

D: Not sure if he will still be famous with the girls afterwards.

(All laughing , leaving for class.)
