G: I am from Paris.

D: Do you like my new purse?

G: Yes, do you like mine?

D: Yes! My purse is very expensive.

G: No, my purse is more expensive! Mine is brand new and yours is second hand!

D: Your hair is awful! It's fake!

G: Do you see my new dress?

D: Stop changing the topic!

G: You started first!

D: I am sorry! I lied, my purse is second hand, because my salary is too low and I don't have enough money!

G: It's ok! I lied too.

D: Friends?

G: Yes!
