C: Hi!

BK: Hello. What's your name?

C: Eeeee..... read the paper.

BK: Why do you have such a long and strange name?

C: I'm a hipster.

BK: I don't like hipsters. They spam my instagram.

C: And I don't like people that don't inform the others about what they ate for breakfast.

BK: I don't think we'll be getting on well! Maybe we started on the wrong foot.

C: Which one? Oh gosh, you are a unibrow!

BK: Oh gosh and you are a unihorse!

C: We are so similar and so different! I want to ride to the sunset with you!

And they lived happily ever after.
